Description

SITRAK HOVA 4x2 Tug Truck | MC07.28-50 | Allison Automatic \$159,530 + Gov charges - In stock SA The HOVA 4x2 Tug Truck is purpose-built for demanding port, yard, and terminal operations. Powered by the MC07.28-50 diesel engine, delivering 280 HP and 1,100 Nm, it drives through a robust Allison automatic transmission for smooth low-speed control and strong torque under load. The hydraulic 5th wheel allows fast and safe trailer coupling, while the heavy-duty 4x2 chassis, low-entry cab, and compact wheelbase make it ideal for repetitive container handling and short transfer operations. Designed for continuous operation with comfort, visibility, and uptime in mind, the HOVA 4x2 sets the standard for reliable yard logistics performance.

Specifications

- Engine: MC07.28-50 | 280 HP | 1,100 Nm
- Transmission: Allison Automatic
- Axles: Heavy-duty single rear | diff lock
- Fuel: 300 L aluminium tank
- Weights: GVM 25 T | GCM 50 T
- Cab: Low-entry day cab | air-suspended driver seat | climate control | wide-view windscreen
- Chassis: Heavy-duty ladder frame | front & rear tow points | terminal-grade coupling gear

Feature Function Benefit

- MC07.28-50 Euro 5 diesel High-torque performance Reliable power for constant yard duty
- Allison automatic transmission Smooth torque converter drive Low driver fatigue and fast turnarounds
- 4x2 short wheelbase layout Tight turning radius Perfect for confined terminal operations
- Heavy-duty frame design Withstands repetitive forces Long service life and uptime reliability
- Low-entry day cab Quick entry and exit Efficiency and safety in high-cycle operations
- Hydraulic 5th wheel Quick trailer coupling Increased efficiency and safety in high-cycle operations

Applications & Body-Fit

- Container terminal and port yard tractor operations
- Intermodal and logistics yard transfer duties
- Warehouse and distribution centre trailer handling

Finance – We Will Not Be Beaten Our in-house finance team benchmarks every quote against national fleet rates. Seasonal, balloon or residual structures available. We partner with major lenders to guarantee the most competitive commercial packages in Australia for SITRAK – we will not be beaten on overall value, structure or speed. Warranty & NTI Support Factory coverage of 3 years / 600,000 km (vehicle) plus 3 years / 1,000,000 km (driveline), extendable to 5 years. 24/7 national roadside support is provided via NTI- backed assistance across Australia. As we say: "We can't expect you have confidence in the product unless we have confidence In the product."

Why North East Auto Group? NEAG is one of Australia's largest truck dealer groups with national reach across South Australia, Queensland, Sunshine Coast, New South Wales, Melbourne & Shepparton (VIC), Perth (WA), Port Augusta (SA) and Alice Springs (NT). We provide sales, finance, body integration, parts and service. Delivered anywhere in Australia. Why SITRAK? German driveline partnerships (ZF, WABCO), Euro 6 efficiency, robust chassis engineering and an expanding Australian dealer footprint. SITRAK is the value alternative that protects uptime and total cost of ownership.
