## Description

This truck is in great working order and has been well maintained throughout its life. It offers heaps of lockable toolbox storage, strong towing capacity, and a reliable tipper setup—ideal for trade, landscaping, or general haulage. A major service has just been completed, so it's ready to go with no immediate work required. We've owned the truck for the past 2.5 years, and prior to that it was council-owned, meaning it was serviced regularly and maintained to a high standard. Genuine sale due to the closure of a family business.
