Description

The DEVELON DX50Z-7 mini excavator is engineered for efficiency and power, featuring a zero-tail-swing design that allows for seamless operation in confined spaces without sacrificing performance. With a robust 48.8 hp engine and a maximum digging depth of 347.98 cm, this machine is built to handle tough jobs. The operators comfort is a priority, with a deluxe adjustable seat, air conditioning, and a full-glass door for superior visibility, making long workdays more manageable. When you purchase your DX50Z-7 from DWL Machinery, you're not just getting a top-of-the-line excavator; you're gaining a partner dedicated to your success. DWL Machinery provides expert local support, comprehensive service, and readily available parts to ensure your machine stays operational and productive. Our commitment to customer satisfaction means you have a trusted team behind you, ready to assist with any maintenance or operational needs.
