## Description

### 2026 Scenvogn 570 - Office Trailer XL Premium

Mobile office. On-site from day one.

The Scenvogn office trailer puts a fully functional work space on any site, in any location, without a building permit or a concrete pad. Used by civil contractors, mining operations, and infrastructure projects where the administration needs to be where the work is — not a drive away in a fixed building.

#### Functional from the moment it arrives.

Air conditioning, lighting, power points, workspace. Tows with a standard prime mover or heavy dual-cab. Operational within the hour on site.

#### Hot-dip galvanised chassis. Built for site conditions.

Designed to handle rough access roads, outdoor storage, and years of deployment and transport without structural degradation.

Danish-designed. RVSA 2023 compliant. Ready to register.

Talk to us about your site setup and utility connection requirements.
