## Description

Built to Work. Ready to Deliver. 2025 Isuzu NNR45-150 Vanpack with 9 Speed Dual Clutch Transmission – the ultimate solution for businesses that demand efficiency, ease of driving and professional presentation. Built for high-volume delivery and daily reliability, this Vanpack is ready to perform straight from day one.

**Vehicle Overview** The Isuzu NNR45-150 Vanpack is designed for operators who need secure, weatherproof transport combined with effortless drivability. Featuring Isuzu's advanced 9 speed Dual Clutch Transmission, it delivers smooth, car-like operation that reduces driver fatigue while improving fuel efficiency. With a fully enclosed body and optimised payload space, this truck is ideal for businesses focused on clean, professional deliveries and operational efficiency. Isuzu is currently offering a 3Year Free Servicing Campaign for selected N Series Ready to Work trucks. This campaign runs from May 1 to June 30, 2026, and includes a complimentary three-year Isuzu Essentials Service Agreement, which covers scheduled maintenance across key vehicle systems. This initiative aims to provide businesses with a reliable and predictable service solution, ensuring optimal vehicle performance and long-term reliability.

**Key Features** 3.0L Isuzu turbo diesel engine delivering proven reliability and efficiency 9 speed Dual Clutch Transmission for smooth, automatic gear changes Car licence friendly GVM for easy driver recruitment Fully enclosed Vanpack body for secure, weather-protected loads Wide rear access for fast and efficient loading and unloading Advanced safety systems including ABS, ESC and driver airbag Narrow cab design for tight city streets and urban access Excellent fuel economy to reduce operating costs Long service intervals to maximise uptime Built for Business This Vanpack is purpose-built for businesses that rely on efficient, professional delivery solutions: Courier and parcel delivery operators Furniture and whitegoods transport Logistics and last-mile delivery services Catering and hospitality suppliers Retail distribution and fleet operations

If your business depends on protecting goods and maintaining delivery schedules, this truck delivers the performance and reliability you need.
