Description

SEM HIRE Contact us for further information on availability and rates 1800 SEM HIRE bookings@semhire.com.au ---------- The Morooka MST160CR is a heavy-duty rotating crawler carrier designed for transporting and precisely placing large material loads across soft, muddy, steep, and challenging terrain. Powered by a 300 HP Caterpillar C7.1 diesel engine and hydrostatic transmission, it delivers exceptional performance, traction, and productivity for major civil construction, mining, quarrying, forestry, and infrastructure projects. With a 16,000 kg payload capacity, 18.3-tonne operating weight, and a 360-degree rotating upper structure, the MST160CR enables efficient material placement without repositioning, maximising productivity on demanding job sites. ----------
