Description

SEM HIRE Contact us for further information on availability and rates 1800 SEM HIRE bookings@semhire.com.au ---------- The Morooka MST200CR is a flagship rotating crawler carrier built for transporting and precisely placing large material loads across soft, muddy, steep, and challenging terrain. Powered by a 416 HP CAT C9.3B diesel engine and hydrostatic transmission, it delivers exceptional power, traction, and productivity for mining, quarrying, civil construction, and major infrastructure projects. With a 20,000 kg payload capacity, 24.7-tonne operating weight, 850 mm rubber tracks, and a 360-degree rotating upper structure, the MST200CR enables efficient material placement without repositioning, maximising productivity on large-scale job sites. ----------
