Description

2014 HINO 300 917 TIPPER Looking for a reliable, well-equipped tipper for construction, landscaping, or trade work? This 2014 Hino 300 917 Tipper is a solid, hardworking truck with all the practical features you need on the job. Powered by a 170HP engine with a 6-speed manual transmission, this truck delivers dependable performance while remaining efficient and easy to operate. With only 133,125kms, it has plenty of life left. The tipper body measures L2950 x W2190 x H400 and is built for versatility, featuring drop-down sides, tie-down rails, and a two-way tailgate—making loading and unloading materials quick and easy. A pull-out tarp helps keep loads secure. This truck is also set up with practical worksite extras including amber beacon lights, a sign rack holder, chassis-mounted toolbox with access from both sides, two underbody toolboxes, a hand wash station, and a tow bar. A 100L lockable diesel tank allows longer runs between fills, and a spare wheel adds extra peace of mind. Inside the cab, comfort and safety are covered with driver and passenger SRS airbags, ABS, air conditioning, multimedia player, heated/electric mirrors, power windows, overhead storage, and seating for three.
