Description

FOR SALE: 2025 Sitrak G5S 8x4 – Agitator Spec – Allison Automatic – 31T GVM Brand new 2025 Sitrak G5S 8x4 agitator-spec cab chassis, engineered specifically for concrete mixer applications. This unit is currently supplied as a cab chassis but is built with a reinforced mixer-rated chassis designed to support the weight distribution and structural requirements of an agitator body. Secure the truck now and have the agitator body fitted to your required specification by trusted Australian body builders. Vehicle Overview: ■ Brand new 2025 model ■ 8x4 configuration ■ Mixer-spec reinforced chassis ■ Allison 4430P automatic transmission ■ 254kW (approx. 340HP) ■ 1,400Nm torque ■ GVM: 31,000kg ■ GCM: 31,000kg ■ 200L fuel tank ■ Alloy rims and air tanks to reduce tare weight Wheelbase Configuration: This truck features an 1800mm + 3300mm + 1400mm axle layout. ■ 1800mm between the twin steer front axles ■ 3300mm from second steer axle to first rear drive axle ■ 1400mm between the rear drive axles This configuration provides excellent load balance and stability for concrete agitator applications. Engine & Driveline: ■ MC07H.35-61 turbo diesel ■ 7.36L displacement ■ 254kW @ 2,200rpm ■ 1,400Nm torque @ 1,200–1,600rpm ■ Allison 4430P automatic transmission ■ Inter-axle and inter-wheel differential locks ■ Jake engine brake Strong and reliable powertrain designed for stop-start concrete delivery operations. Chassis & Suspension: ■ Heavy-duty ladder frame (280×80×8 C-section) ■ Parabolic front suspension (3 leaf) ■ Rear parabolic suspension with airbag assistance ■ MCY11BES tandem drive axles ■ 5.29 axle ratio Designed to support the weight and operational demands of a concrete agitator body. Braking & Safety: ■ Dual circuit air braking system ■ EBS braking system ■ AEBS (Autonomous Emergency Braking) ■ FCWS (Forward Collision Warning System) ■ WABCO radar system ■ 360-degree surround view camera ■ Trailer ABS braking included Advanced safety systems to support heavy-duty construction and transport operations. Dimensions: ■ Overall length: 8,775mm ■ Width: 2,489mm ■ Height (empty): 3,155mm ■ Approach angle: 13° ■ Departure angle: 33° Cabin & Comfort: ■ G5S-M cab configuration ■ Seats 2 ■ LCD colour display ■ Operator-focused interior ■ Sun visor and side skirts included Comfortable and practical cab designed for daily construction site operations. This Sitrak G5S 8x4 provides a strong and reliable foundation for a concrete agitator build. By securing the truck now, customers can specify their preferred mixer body configuration while the vehicle is being prepared. Available for immediate ordering, body selection and fitting.
