## Description

NEW IVECO EUROCARGO ML16E28 ALLISON AUTOMATIC ■ SLEEPER CAB READY TO BUILD THE BODY YOU WANT If you're looking for a serious 16-tonne workhorse that delivers power, comfort, and flexibility straight out of the gate, the new Iveco Eurocargo ML16E28 is the truck that gets it done. Driven by a punchy 280HP Euro VI engine and paired with the industry-leading Allison fully automatic transmission, this Eurocargo delivers effortless performance, quick response, and outstanding driveability — ideal for urban, regional, and multi-drop operations. No clutch, no hassle, just smooth, consistent power all day long. The sleeper cab is designed for drivers spending long hours on the road, offering a spacious, quiet, and ergonomic environment with proper overnight capability. Less fatigue means better productivity and a more comfortable day behind the wheel. Supplied as a cab chassis, this truck is ready for whatever body you need. Curtainsider, pantech, tipper, fridge or specialised build — the ML16E28 gives you the flexibility to configure it to suit your exact operation. Built on Iveco's proven Eurocargo platform, it delivers strong payload, low running costs and dependable performance, making it a smart investment for both fleets and owner-drivers. Key Highlights: ■ Brand new Iveco Eurocargo ML16E28 ■ 16-tonne GVM ■ 280HP Euro VI engine ■ Allison fully automatic transmission – smooth, reliable and proven ■ Sleeper cab for long shifts and overnight work ■ Cab chassis – ready for body fitment ■ Strong payload and excellent versatility ■ Ideal for distribution, logistics, construction and specialised applications Why Buy From ? ■ Local, trusted dealership with strong industry reputation ■ Finance and tailored solutions available ■ Trade-ins welcome ■ Support with body building and setup ■ Ongoing servicing and maintenance available Want to Enquire? Get in touch with the team at today to discuss your build options and secure this unit. Get yours today and start building your ideal truck.
