Description

IN STOCK & AVAILABLE NOW! MERCEDES-BENZ AROCS 2653 - QUARRY SPEC 58.0t PBS APPROVED TRUCK AND DOG COMBO. 58.0t (Fifty Eight) Tonne Approved under PBS Scheme. QUALITY HERCULES ALUMINIUM TRUCK BODY AND 4-AXLE DOG TRAILER COMBINATION, READY TO HAUL. Introducing the new Mercedes-Benz Arocs 2653 Pure – Tipper, where raw strength meets refined engineering. Built to dominate the toughest worksites, the Arocs 2653 Pure combines a 530 hp Euro 6 engine, robust 6x4 drive, and legendary Mercedes-Benz durability to deliver unstoppable performance day after day. Whether you're hauling heavy loads, tackling steep gradients, or navigating demanding terrain, the Arocs 2653 Pure is engineered to make every job effortless. Its reinforced steel chassis, advanced traction systems, and intelligent PowerShift transmission give you total control and confidence on any surface. Inside, the Arocs Pure is all about comfort and functionality — with a driver-focused cab, ergonomic design, and cutting-edge safety features that make long days feel shorter and every shift smoother. ENGINE & DRIVELINE - 13.0L 6 Cylinder pumping out a smooth 530Hp and 2,600Nm of torque, precisely shifted toward the rear via a state of the art Mercedes-Benz G281-12 intelligent Power-Shift 3, 12-Spd automated manual transmission with a dual-disk, automated clutch. Finally distributed to the ground via the heavy-duty, power divided and dual-cross-locked hypoid rear axles. SUSPENSION & BRAKES - The Arocs cradles it's load upon, 4-airbag rear suspension and 8.0t 3-leaf front suspension. Also featuring the "Straight" front axle for increased clearance! Pulling up is a breeze with disc brakes and a high performance engine brake. Along with EBS, ABS as standard. SAFETY - All the mod-cons as expected by today's standard such as Active Brake Assist-5 (ABA5), Stability Control Assist (ESP), Lane Keeping Assist, Attention Assist, Adaptive Cruise Control, LED Headlamps, Daytime Running Lamps, Light & Rain Sensors, Dual Air Horns and roof mounted Beacon Lights just to name a few! OPERATOR COMFORT - Rubber suspended first cab step, Comfortable air suspension drivers seat with lumbar support and velour finish, sun blinds on driver and co-driver's side windows, large windscreen sunshades, ample storage compartments and drawers. Pull out refrigerator under bunk, premium bunk mattress. High quality interactive multimedia unit with Sat-Nav, on-board rear axle scales and trailer-scale compatibility and a highly refined interior trim inspired with legendary design elements. This truck has been designed specifically for tipper and dog application, featuring the genuine Mercedes-Benz tipper control suite. This includes genuine illuminated dash switches with markings relative to the function. PERFORMANCE BASED STANDARDS (PBS) - This truck and trailer combination has been designed to optimize payload and remain consistent with PBS requirements. FINANCE? - This truck can be financed in-house through 's nationally recognized and accredited facilitator, Truck Financial Services. Our friendly team is equipped with highly experienced and transparent Business managers who are always ready to help, talk to us about DTFS' finance products when you enquire with us, you'll be pleasantly surprised with the service and ease of process! Get into contact with us today!
