Description

NEW ARRIVAL HINO AT 3430 WIDE TRADEACE Price excludes onroads Factory-Fitted TradeAce Package Unlike bare cab-chassis models, the TradeAce comes pre-fitted with job-ready trade hardware straight from the showroom floor: ■ Alloy Tray: Premium-grade aluminum tray 4.5m internal length with split drop sides. ■ Ladder Racks: Includes a built-in heavy-duty front headboard mesh protector, center rack, and removable rear hurdle racks. ■ Bull Bar: Genuine factory-fitted polished aluminum front protection bar. ?? Drivetrain & Performance The Euro 6 update brings a cleaner, optimized powertrain using AdBlue exhaust after-treatment to lower emissions. ■ Engine: Powered by a 4.0-liter, 4-cylinder intercooled turbo-diesel engine generating 150 to 165 horsepower and up to 464 Nm of torque. ■ True Automatic Transmission: Paired with an intuitive 6-speed torque-converter automatic transmission (featuring a sequential shift mode that allows manually selected gears to maximize auxiliary engine braking). Note: Hybrid versions use an automated manual transmission (AMT). ■ Chassis Capacity: Rated at 4,495 kg GVM (Car Licence legal) but upgradable to a 5,500 kg GVM (Light Truck licence) to unlock greater physical payload capacity. It supports a 3,500 kg braked towing capacity. ??? Hino SmartSafe Security Suite The Euro 6 models inherit Hino’s advanced driver-assist safety bundle, which is among the most comprehensive for Japanese light trucks in Australia: ■ Pre-Collision System (PCS): Includes Autonomous Emergency Braking (AEB) and pedestrian detection safety sensors. ■ Lane Departure Warning System (LDWS): Alerts drivers if the truck begins to drift outside its highway lane. ■ Vehicle Stability Control (VSC) & Traction Control: Helps correct skidding or lack of grip on slippery surfaces. ■ Visibility: Equipped with bright LED headlights, daytime running lamps (DRLs), and a high-definition reversing camera. ?? Cabin Comfort & Technology The redesigned cockpit mirrors modern passenger car amenities to support long hours on the road: ■ Infotainment: A massive 10.1-inch ultra-high-definition touchscreen unit featuring wireless Apple CarPlay, Android Auto, Wi-Fi connectivity, and digital radio. ■ Driver Comfort: An adjustable suspension seat with lumbar support alongside a tilt-and-telescopic steering column to ease driver fatigue on rough roads. ■ Cabin Functionality: A spacious 3-seater configuration featuring a center seat that folds down into a workspace table, plus overhead storage trays. ?? Warranty & Support ■ 5-Year / 250,000km Factory Warranty ■ 5-Year Roadside Assistance ■ Capped-price servicing schedules
