Description

Private Sale NO GST to pay! Can be driven on a car license! Automatic transmission! Purchased in September 2022 – 197,000kms Selling September 2026 – 228,000 kms Selling due to retirement Best, most reliable vehicle I've ever owned! Used primarily to travel to 6-8 medieval fairs each year, carrying my medieval shop and camping gear for myself and my staff. As can be seen from the kms above the truck did less than 10,000 kms per year whilst it was mine. Registered until 20/12/2026 Serviced regularly by CMI Hino Lonsdale – Most recent service info available on request Pantech body with internal tiedown rails by Genuine Truck Bodies in Dandenong Victoria. Pantech Box Dimensions because several people asked = W~2320 H~2300 L~4510 Dhollandia 750kg tailgate lifter with flashing amber LED lights at the corners to stop your staff from walking into it. The tailgate lifter was absolutely the best part of upgrading to this truck from a van! Extra fuel tank which takes it up to 100 litres of diesel or thereabouts New sexy LED marker lights at the top front of the Pantech body. See photos. New LED internal Cab light. New Pioneer touch screen sound system installed with Bluetooth hands free microphone next to driver's top storage shelf – see photos. Old Sound system may be available if required. Adjustable spring mounted driver's seat. Aircon works very well both heating and cooling. Rear reversing camera automatically displays on stereo screen when reverse gear is selected. 2 keys Fog lights – see photos Rear barn doors with keep open latches. 4 cup holders!!! Two in the dashboard and two in the centre console. Folding centre seat that has a neat tray when folded down which is great for stopping your snacks from sliding onto the floor when you have to brake hard because some numpty has just pulled out in front of you. The photos show a broken reflector - this has now been replaced with a new one. Completely useless centre mounted rear view mirror! Free sticker collection on inside rear barn doors (can be removed if you'd prefer) Stone chips are free too, they add character! As do a few minor dings from bird hits and a few scratches that came with it when I purchased it. Guaranteed not haunted! Please contact me if you'd like any more information or specific photos not already included in this ad. I also have the mechanic's report from when I purchased it and his photos available too.
