Description

Semco Group is a full-service heavy equipment sale and service organisation with locations in Sydney, Melbourne, Brisbane, Newcastle, Queanbeyan and Goulburn. Great and Powerful The largest of the screening bucket MB designed for backhoe loaders is ideal for the selection of natural materials in quarries and large yards. MB-LS220 allows to reduce up to 60% the crushing time and allows you to recover materials and handle it in the best way. Particularly suitable for backhoe and loaders from 12 to 35 Tonne. Like the other screening buckets of MB range, MB-LS220 is equipped with interchangeable panels, available in different sieve sizes depending on the needs of the job. The simple assembly and dis-assembly of the screen panels makes for an easy change for different material output sizes. For more information contact SATCH 1800 685 525
