Description

Forestry mulcher with fixed teeth rotor for tractors between 350 and 500 HP. This model represents the best technology, the attention to quality and to market demands of FAE; UMH MEGA is the maximum expression of productivity and reliability, designed for the most powerful tractors on the market. Created to meet the needs of the professionals in the sector that are seeking a highly productive mulcher and at the same time extremely efficient tiller. UMH MEGA can shred trees up to 50cm in diameter and can mill up to a depth of 25 cm / 10, all in just a single machine. These functional characteristics combined with the constructive ones, make the UMH MEGA the ONLY MULCHER-TILLER machine in the market today, able to to rapidly execute and impeccably work on large surfaces. Double frame with the integration of protected cylinder and hydraulic hoses, third line counter blade / bolted and for easy maintenance and replacement, centralized geesing hub, adjustable three-point linkage, hydraulic cluch transmission, adjustable and hydraulic skids, notable rotors dimension are the characteristics that made the UMH MEGA a UNIQUE machine. The standard equipment includes: -PTO shaft -gearbox with freewheel -gearbox with oil cooling system -transmission with belts in Poly-Chain Carbon -hydraulic hood -forged and hardened interchangeable counter-blades -third row of interchangeable forged and hardened counter-blades -inner anti wear clad plates FCP -adjustable skids -adjustable extended 3 point linkage -enclosed machine body -centralized greasing hub -hydraulic top link -hydraulic clutch transmission -hydraulic hoses integrated in the frame -Z style self ranging system of the PTO drive shaft/gearbox -cylinder protection -inside lateral protection -dual row protection chains Available on demand: hydraulically adjustable skids, W style self aligning device between PTO drive shaft/gearbox, mechanical push frame, hydraulic push frame, extra ripper for push frame, multiple tooth options. DWL Machinery is a liquidation and clearance company who sell direct to the public. Most of our plant and machinery comes direct from Government departments, the Australia Defence Force, local councils, fleet & leasing companies, bank & finance matters. We are a bucket and attachment dealer for excavators and skid steers including your favourite brands like FAE, Digga, Norm engineering, Sureweld, Auger Torque and ABS. -Australia wide delivery and International shipping simply send us your location for a quote. Pick up is in Bringelly NSW Australia 2179 or Dandenong South VIC 3175 -Finance is available on all of our equipment -We accept trade-in's, email us photos and details of the machines for valuations. -Accepted payment methods: Internet transfer, cheque, cash, Paypal or credit card.
